

In today's business environment the bottom line is more important than ever. Knowing this is one thing but doing something about it is another. Trying to take care of day to day business, advertising, marketing, personnel issues, all takes valuable time, and we all know time is money.

We at Cal Pacific Group could have a solution for you. Many stores, malls, bars, restaurants have wasted space that could be used as a profit center. These areas may be highly trafficked and could be utilized to produce daily income to increase your bottom line.

Cal Pacific Group is the sole distributor in most of Asia, to the Number One coin operated video game in the World. In countries like Thailand, Cambodia and Laos, are customers make thousands of dollars a year without any investment on their part (testimonials available upon request), filling these wasted spaces with our games.

The cost is nothing to our customer. We provide the game, upkeep, cleaning and servicing at no cost to our customer. We provide profit sharing opportunities.
